DIRECTIONS FOR USE

USE AS RECEIVED

Solvent based ANTI-MICROBIAL “PLUS” is designed to be use undiluted. To destroy most disease germs saturate the surface or area being treated by spraying liberally with ANTI-MICROBIAL “PLUS”. Wipe treated area over with a clean lint free cloth (micro-fibre) preferred.

ROOM FRESHENER: Apply ANTI-MICROBIAL “PLUS” as a mist spray into the centre and corners of the room to be freshened. The exceptional lasting power of the ANTI-MICROBIAL perfume will be evident for hours after spraying. As an added advantage the ANTI-MICROBIAL “PLUS” formulation will KILL odour-causing bacteria.

TELEPHONE & COMPUTER CLEANING: Apply ANTI-MICROBIAL “PLUS” directly by spray or mist to the computer, telephone and hand set, with a clean dry lint free cloth wipe entire phone and handset and computer.

ANTI-MICROBIAL “PLUS” will remove all contaminates from electrical equipment while at the same time killing all bacteria leaving the equipment clean and santised with a re-fresh perfume.
